Report of PG CDE Programme

Activity: Department of Oral and Maxillofacial Surgery and Department of Prosthodontics and Crown and Bridge conducted a PG CDE program on the topic “**Current Concepts in Planning and Treatment With Zygomatic Implants**” was organized on 11th June 2025.

Dr. Sankalp Mittal, Professor, GDC, Jaipur delivered a lecture on “Current Concepts in Planning and Treatment With Zygomatic Implants” which was followed by Hands-on session regarding Zygomatic Implant Placement.

The CDE program was graced by the presence of Hon'ble V.C. Maj. Gen. (Dr.) G.K. Thapliyal, SM (Retd.), Swami Vivekanand Subharti University who shared his views regarding the significance of such CDE programs.

Aim & Objective: The aim of CDE (Continuing Dental Education) program was to enhance the knowledge and skills of dental professionals regarding this advanced implant technique, in cases of severe maxillary bone atrophy. The program also updated participants on the latest advancements in zygomatic implantology, including surgical protocols, prosthetic considerations, and potential complications.

Place of Event: LT-4, Subharti Dental College & Hospital, Meerut
