### **Detail of Activity:**

It is with immense pleasure we share that the Department of Prosthodontics and Crown & Bridge conducted guest lecture on “Guided Implant Surgery” by renowned speaker Dr. Lakshya Kumar, Professor Department of Prosthodontics and Crown & Bridge, King George’s Medical University, Lucknow on 26th November 2025.

The guest lecture was conducted under the guidance of Dr. Nikhil Srivastava, Principal and Dean, Subharti Dental College & Hospital and Dr. Roma Goswami, HOD, Prosthodontics and Crown & Bridge, Subharti Dental College & Hospital.

The lecture highlighted how guided implant surgery enhances accuracy through digital planning and the use of 3D-printed surgical guides. It also emphasized its role in improving surgical safety, predictability, and prosthetically driven implant placement.

The program was attended by post graduates, and faculty members which was an enriching and insightful experience for all the participants.
