Detail of Activity:

It is with immense pleasure we share that the Department of Prosthodontics and Crown & Bridge conducted guest lecture on "Bridging Disciplines: The Interdisciplinary Team Approach to Dental Implants" by renowned speaker Dr. Saranjit Singh Bhasin, Professor & Head, Department of Prosthodontics, Faculty of Dentistry Jamia Milia Islamia, Okhla, New Delhi on 22nd July 2026.

The guest lecture was conducted under the guidance of Dr. Nikhil Srivastava, Principal and Dean, Subharti Dental College & Hospital and Dr. Roma Goswami, HOD, Prosthodontics and Crown & Bridge, Subharti Dental College & Hospital.

The lecture highlighted that the successful dental implant treatment relies on close collaboration among specialists, ensuring comprehensive diagnosis, precise planning, and optimal patient outcomes. Along with this the lecture emphasized that an interdisciplinary approach integrates expertise from Prosthodontics, Periodontics, Oral Surgery, Orthodontics, and Radiology to achieve functional, esthetic, and long-lasting implant rehabilitation.

The program was attended by post graduates, and faculty members which was an enriching and insightful experience for all the participants.
