

# Know Your Dental Chair

**Objective:** Interactive session, & Live Demonstration

**Activity:** Lecture on the basics of parts and dental chair functioning was delivered by Dr. Smriti Bhargava. Participants learnt the area required to install the chair for proper functioning. In the hands on and demo session, each participant closely observed & assemble the actual parts of dental chair and learnt to rectify the common problems which may encounter during day to day functioning

**Place of Event:** LT-4, Department of Prosthodontics and Crown & Bridge, Subharti Dental College & Hospital, Meerut

**Total Participants:** 179
