

Skill Enhancement Workshop

Activity: Under the exemplary vision of Principal Dr. Nikhil Srivastava and guidance of Dr. Roma Goswami, Professor & Head of Department of Prosthodontics and Crown & Bridge and Dr. Vineeta Nikhil, Professor & Head of Department of Conservative Dentistry & Endodontics, a **Skill Enhancement Workshop** on topic titled "**CAD – CAM – INTRO TO APPLICATION**" was organized by Department of Prosthodontics And Crown & Bridge in association with Department of Conservative Dentistry & Endodontics on 5th - 6th September, 2022.

Dr. Yash Raj Bahadur conducted workshop which include Lectures, Demonstrations and Hands on intra-oral and extra-oral scanning, designing and milling using CAD-CAM system.

The Program saw enthusiastic participation of more than 100 individuals including, faculty members. This workshop lead to the expansion of information and communication technologies to have a stronger impact on the diagnosis, treatment, and monitoring of therapeutic effects. It will also help to provide a high level of aesthetics.
