

**ART EFFECT – A VENTURE TO SHOW YOUR METTLE, (TEETH
ARRANGEMENT COMPETITION)**

A two day event organized by the Department of Prosthodontics And Crown & Bridge, Subharti Dental College & Hospital commenced on 20th Jan' 2017 with **Art Effect – A Venture To Show Your Mettle, (Teeth Arrangement Competition)** in which an exuberant 75 students of BDS 2nd yr, 3rd yr, 4th yr, Interns and students of Dental Mechanics took part. The teeth arrangement was a two hour competition and the winning criteria were function and esthetic. The winners were Rashid Malik (Ist), Subham Sharma (IInd) and Gul Singh (IIIrd) - IIIrd year BDS students. all were awarded with budding prosthodontists badge. After the successful competition of Teeth Arrangement; **Prosthomania (Dental Quiz)** took place in which 6-teams took part. The quiz was a 6 round event which consisted of scientific and clinical questions. Team B comprising of Deeksha Mehta (intern), Lubna Mustaq(intern), Aatika (IVth yr), Akanksha (IVth yr), Deeksha (IIIrd yr) and Rashid Malik (IIIrd yr), the competitors were awarded by the **Speaker Dr. Sumit Dubey.**

The second day i.e. 21st Jan' 17 consisted of a guest lecture by **Dr. Sumit Dubey (M.D.S. Prosthodontics and Project Manager, Healthy Affordable Solutions Nationally for Aam Aadami)** from New Delhi who also happens to be the alumni of Subharti Dental College. This was the first time that the alumni of the own college was given a platform to educate and motivate budding dentists.

Dr. Sumit Dubey enlightened everyone with thoughts on how to treat a patient both clinically and provide best care in remote areas.
