Report:

Objective of the activity: Activity organized emphasized on the importance of hepatitis, its infection control, awareness regarding transmission risks in dental practice, and the dentist's role in prevention and patient education.

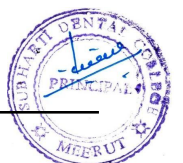

Description: Department of Oral and Maxillofacial Pathology & Oral Microbiology, Subharti Dental College & Hospital, Meerut organized an Alumni guest lecture under the guidance of our Respected Principal & Dean Dr. Nikhil Srivastava Sir, on 26th December 2025 on the topic "Understanding Hepatitis: A Dentist's Perspective". The lecture was delivered by Dr. Chitrapriya Saxena, Assistant Professor, Kalka Dental College, Meerut.

Dr. Chitrapriya Saxena finished her post graduation in 2015 from SDC & H. The lecture highlighted the importance of hepatitis, its infection control, awareness regarding transmission risks in dental practice, and the dentist's role in prevention and patient education. The program ended with felicitation of the guest speaker. The webinar was fruitful for more than hundred participants.

Outcome of the activity: The lecture highlighted the importance of hepatitis, its infection control, awareness regarding transmission risks in dental practice, and the dentist's role in prevention and patient education.

Analysis of Participants feedback: Analysis of participants was found to be excellent in terms of participation and one to one interaction with them.
