

World Orthodontic Health Day- 2019

The department of Orthodontics and Dentofacial Orthopedics, Subharti Dental College Hospital, Swami Vivekanand Subharti University, Meerut on the occasion of “World Orthodontic Health Day” conducted an “Orthodontic Awareness Programme” for two days i.e. 15 th May and 16 th May 2019. On the first day of the programme an awareness camp was organized in one of the premium school of Meerut i.e. “Delhi Public School” in which approx. 1000 students from class 5 th to 10 th standard was covered under this program. The post-graduate students and faculty members of Orthodontics department presented a small presentation individually in different classes about the specialty of Orthodontics and the role of Orthodontist in straightening of mal-aligned/crowded teeth and the correction of mal-aligned jaws position. They also revealed the major differences between a Dentist and a specialized doctor that is an “ORTHODONTIST”. Followed by this, on the same day an essay competition was also conducted for BDS final year students and Intern in which enthusiastically they participated in huge numbers. In continuation, on next day i.e. 16 th May yet another awareness and free dental check-up camp was organized in another premium school of Meerut, i.e. BIT Global School, in this we covered more than 600 students from Nursery to Class 12th. Along with spreading awareness, free dental check-up was done for each & every student. They were examined for various dental and skeletal malocclusions and were given instructions about how to keep their dental health safe and sound. This awareness program was a huge success as all the students excitedly participated in full enthusiasms and were most eager to learn, interact and to know the answers of their queries.
