

### **Ortho-Surge 2022**

The Department of Orthodontics and dentofacial orthopedics in collaboration with the Department of Oral and maxillofacial surgery under the aegis of the Indian Orthodontic Society conducted a highly successful two days ORTHO-SURGE 2022 Symposium on the 14<sup>th</sup>& 15<sup>th</sup> April 22. This educational extravaganza was attended by more than 100 delegates nationally. It included various Guest lectures and Hands-on demonstrations by the experts. Day 1 key highlights included Guest lectures by renowned Orthodontists and oral surgeons who are pioneers in the field of Orthodontics and Oral surgery. The Day 2 workshop included a Hands-on workshop on the use of Dolphin software in orthognathic surgical procedures followed by certificate distribution. In these two days, participants gained knowledge about the different aspects of orthognathic surgical procedures.
