

INDUSTRIAL VISIT- i-Fix implant Facility Faridabad- March 13th,2020

Department of Periodontology, Subharti Dental College & Hospital, Meerut organized an industrial visit for the post graduate students on 13th March, 2020 at the I- Fix Implant facility located in Faridabad. The visit was planned under the guidance of Dr. Mayur Kaushik & Dr. Nitin Tomar. The I-Fix dental implants have been conceptualized and developed by Indian Institute of Technology (IIT), Delhi in collaboration with Maulana Azad Institute of Dental Sciences (MAIDS) Delhi. During the visit the students were informed and taught about the process of implant manufacturing. All the steps & equipments in Implant manufacturing, from Titanium rods milling, shaping, sand blasting, acid etching, washing and packaging were demonstrated.
