"National Pharmacovigilance Week 2023"

Subharti Dental College and Hospital

"National Pharmacovigilance Week 2023" Department of Oral Maxillofacial Surgery and Department of Public Health Dentistry, Subharti Dental College and Hospital in association with Department of Pharmacology, Subharti Medical College, Swami Vivekanand Subharti University Meerut had organized a public awareness program to mark National Pharmacovigilance week from 17 September -23 September 2023 under the able guidance of our dynamic Principal and Dean Dr Nikhil Srivastava Sir. This year's theme was "Boosting Public Confidence in Pharmacovigilance".

The following series of events were organised to create mass awareness regarding adverse drug reaction.

1. Nukkad Natak for patient safety and medication errors related to adverse drug reaction.
2. Guest lecture titled" ADR Monitoring and Pharmacovigilance" by Dr Utkarsh Mittal, Faculty from Pharmacology Department to sensitize our BDS students, interns and PGs about Drug monitoring ,adverse reaction and various tools for reporting adverse drug reaction
3. Quiz Contest for BDS students Certificates of Appreciation were given to the Speaker and to all the winners of Quiz Contest.

The purpose of this kind of initiative was to create awareness to identify and report adverse drug reactions due to medicines and vaccines among health care professionals, patients and general public and also to protect patients from ill effects of various medicines. This event had generated a sense of responsibility and commitment towards a rational drug prescription. "It's Time to Act".
