About the speakers

Dr. N. Gnanasundaram

Topic:
The Glory of Oral Medicine & Radiology: Diagnostic Excellence & Medicine cures oral diseases

Dr. N. Gnanasundaram graduated BDS in 1964 and MDS in 1975. He was working in government of Tamil Nadu in Government Dental College, Chennai. He has more than 44 years of teaching experience in Oral Medicine and Radiology. He delivered 164 guest lectures in various conferences and has got several publications to his credit. He is the first person to study MDS Oral Medicine and Radiology in Tamil Nadu and started PG course in 1980 itself. He was member of Dental Council of India, Member of Tamil Nadu state dental council, member of academic council, member of IOMR floride committee. He is currently the president of Indian Academy of Oral Medicine & Radiology.

Dr. Vijay Raghavan

Topic:
Challenges in interpretation of conventional radiographs

Dr. Vijay Raghavan completed his BDS in 1976 and MDS in 1978 from Nair Hospital Dental College, Mumbai. He has been speaker at several national and international conferences and CDE. He routinely conducts Radiographic quiz at both national and international level. He has more than 60 scientific publications to his credit. He has working experience at College of Dental Surgery, Manipal University, Faculty of Dentistry Benghalu and Faculty of Dentistry Ajman University, UAE. He is currently professor and head of OMR in Seema Dental College and Hospital, Raichak.

Dr. Prashant P Jaju

Topic:
CBCT Interpretation: Oral Pathologies, Endodontics & Implants

Dr. Prashant P Jaju is a gold medalist from Pune University. He started his exclusive oral radiology practice in Nashik in 2010 and established first CBCT centre in Nashik in 2012. He has his oral radiology practice in Bhopal and he is director of oral imaging solutions. He renders services to more than 6 centres across India for online reporting. He is author for 2 books on CBCT – first by Indian Author. He is the key opinion leader for sirona india since 2011 and scientific collaborator for sirona india and Image 3D conversion (Blue sky bioJinda). He has started an exclusive CBCT magazine in 2016 which has received critical acclaim. He was awarded IDA profile of the month in 2016.
