Objective of the Activity:Public awareness lecture series (PALS) on “Tobacco and its Ill-effects” and “Tooth brushing technique” along with dental camp for factory labour.

Description: Department of Oral Medicine and Radiology in association with Department of Public Health Dentistry conducted Public Awareness Lecture Series and Screening Camp at Sterling Sports Industries, Meerut, under the able guidance of our dynamic Principal Dr. Nikhil Srivastava Sir. The lecture emphasized on "Tobacco and Its Ill-effects" and "Tooth Brushing Techniques" which was followed by screening and treatment of the patients.

Outcome of the Activity: The factory labour showed full enthusiasm and participated whole heartedly. They were motivated by the programme and took an oath to never fall for any deleterious habit and will take care of their oral health. They also promised that they will spread the same message to their family members, relatives, friends and surroundings.
