Alumni Guest Lecture on “Clinical Research in International Institutions: Best Practices and Insights”

Date: 25.10.2023

Place of Event - Lecture Theatre-4, Subharti Dental College, SVSU, Meerut

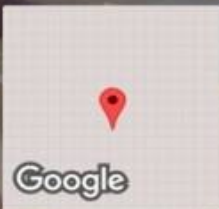

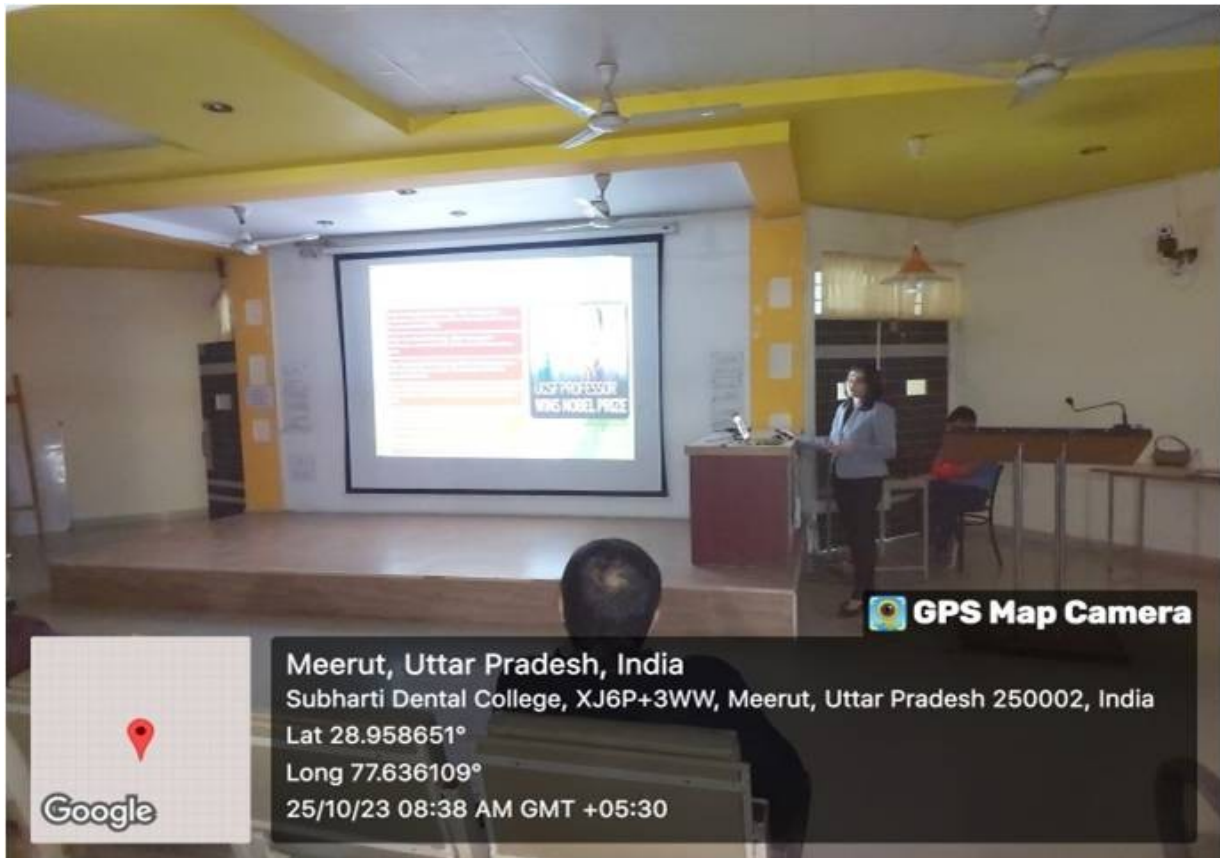

Total No. of Participants- 133

Objective of the Activity: To increase awareness among teachers and post graduate students regarding the importance of clinical research and its scope as a career option at national and international level.

Description: Department of Oral Medicine & Radiology, SVSU conducted an Alumni Guest lecture on the topic of “Clinical Research in International Institutions: Best Practices and Insights” under the able guidance of our dynamic Principal Dr. Nikhil Srivastava Sir. The Guest speaker was Dr. Akanksha Gupta (Clinical Research Supervisor and Protocol Project Manager, University of California, San Francisco). She enlightened our budding post graduates and clinical practitioners on the importance of conducting research and its scope as career in various International Institutions. It was an insightful session in which everyone participated whole-heartedly.

Outcome of the Activity: The faculty and post-graduate students both got benefitted and appreciated it.
