UG CDE on “CBCT and CAD-CAM in Dentistry”

Date: 20.06.2023

Place of Event- Lecture Theatre-4, Subharti Dental College, SVSU, Meerut

Total No. of Participants- 151

Objective of the Activity: To increase awareness among final year students and interns regarding the applications of CBCT and CAD-CAM in dentistry and how it will be helpful for them in their future practice.

Description: Department of Oral Medicine and Radiology and Department of Prosthodontics, Crown and Bridge conducted an Under Graduate CDE program on "CBCT and CAD-CAM in Dentistry" for Final year students and Interns on 20th June 2023 under the able guidance of our Hon'ble Principal Dr. Nikhil Srivastava. The guest speakers were Dr. Renu Tanwar, CBCT specialist and Dr. Gaurav Issar, Prof and Head, Prosthodontics IDST Modinagar who enlightened our budding dentists regarding the significance and applications of CBCT and CAD-CAM and how it will be fruitful for them in their later practice. It was a successful event in which students participated enthusiastically.

Outcome of the Activity: It was a learned and interactive session. Various questions were asked by the students and all their queries were successfully answered by the speakers.
