Objective of the Activity: To increase awareness among teachers and post graduate students regarding the importance of Oral Medicine and Radiology in their day to day dental practice.

Description: Department of Oral Medicine & Radiology, SVSU conducted a Guest lecture on the topic of “Oral Medicine and Radiology in Private Practice” under the able guidance of our dynamic Principal Dr. Nikhil Srivastava Sir. The Guest speaker was Dr. Kanika Garg (Oral Physician and Maxillofacial Radiologist and Private Practitioner). She explained the benefits of having knowledge about various presentations of lesions seen in oral cavity and orofacial pain conditions which will help in making proper diagnosis and treatment planning. It was an insightful session.

Outcome of the Activity: The students gained from the lecture and appreciated her.
