COLLEGE**

2024

Value Added Course on “TMDs: Unfolding the Mysteries”

Date: 16th -19th May 2024

Place of Event –Lecture Theatre-4, Subharti Dental College, SVSU, Meerut

Total No. of Participants for lecture- 110

Total No. of Participants for workshop - 49

Objective of the Activity: To empower dentists with awareness and understanding of TMDs and to provide insights and strategies for its management and prevention.

Description: Department of Oral Medicine and Radiology, SDC, conducted 4 days value added course on " TMDs: Unfolding the Mysteries" under the able guidance of our respected Principal Dr. Nikhil Srivastava for undergraduates, interns, post-graduates and faculties. The guest speakers were Dr. Upasana Sethi Ahuja (Professor and Head, OMR, SBBDC, Ghaziabad), Dr. Priya Singh (Associate Professor, BBDCODS, Lucknow) and Dr. Ali Atif (Oral and Maxillofacial Surgeon, Director at International Institute of Medical Aesthetics).

Dr. Upasana Sethi Ahuja emphasized on the Orofacial Pain and TMJ Disorders and Management. The Hands-on on non-surgical treatment modalities (LASER and TENS) for orofacial pain was conducted by Dr. Priya Singh. The workshop on surgical modalities was conducted by Dr. Ali Atif. Live demonstration of Arthrocentesis was carried out. It was an interactive session in which students and faculty participated enthusiastically.

Outcome of the Activity: The students and faculties showed full enthusiasm and participated whole heartedly. The lecture and hands-on was very fruitful as individuals came to know about the practical approach, Do's and Don'ts of surgical and non-surgical modalities.
