About the speakers

Dr. N. Gnanasundaram
Topic: The Glory of Oral Medicine & Radiology: Diagnostic Excellence & Medicine cures oral diseases
Dr. N. Gnanasundaram graduated BDS in 1964 and MDS in 1975. He was working in government of Tamil Nadu in Government Dental College, Chennai. He has more than 44 years of teaching experience in Oral Medicine and Radiology. He delivered 154 guest lectures in various conferences and has got several publications to his credit. He is the first person to study MDS Oral Medicine and Radiology in Tamil Nadu and started PG course in 1980 itself. He was member of Dental Council of India, Member of Tamil Nadu state dental council, member of academic council, member of ICAR Round committee. He is currently the president of Indian Academy of Oral Medicine & Radiology.

Dr. Vijay Raghavan
Topic: Challenges in interpretation of conventional radiographs
Dr. Vijay Raghavan completed his BDS in 1976 and MDS in 1978 from Roor Hospital, Dental College, Mumbai. He has been speaker at several national and international conferences and CDE. He routinely conducts Radiographic quiz at both national and international level. He has more than 60 scientific publications to his credit. He has working experience at College of Dental Surgery, Manipal University, Faculty of Dentistry, Bangalore and Faculty of Dentistry, Aynan University, UAE. He is currently professor and head of OMAR in Seema Dental College and Hospital, Peshawar.

Dr. Prashant P Jaju
Topic: CBCT Interpretation: Oral Pathologies, Endodontics & Implants
Dr. Prashant P. Jaju is a gold medalist from Pune University. He started his exclusive oral radiology practice in Nashik in 2010 and established first CBCT centre in Nashik in 2012. He has his oral radiology practice in Bhopal and he is director of oral imaging solutions. He renders services to more than 6 centres across India for online reporting. He is author for 2 books on CBCT - first by Indian Author. He is the key opinion leader for Cirrus India since 2011 and scientific collaborator for 3dvision, Italy and Image 3d conversion (Blue sky bio), India. He has started an exclusive CBCT magazine in 2016 which has received critical acclaim. He was awarded IDA profile of the month in 2016.
