Objective of the Activity: To increase awareness among students tobacco deaddiction therapies and role of dentist in managing such patients.

Description: Department of Oral Medicine and Radiology, SDC, in association with Dr. NilamGada (President, Rotary Club for Addiction Prevention, Mumbai) conducted 2 hours training workshop on " Tobacco Cessation Therapies" under the able guidance of our respected Principal Dr. Nikhil Srivastava. The guest speaker was Dr. N Vivek (Dean, SRM Kattankulathar Dental College, Chennai), a renowned resource person, who enlightened our budding dentists with various Intervention Therapies for Tobacco Deaddiction and Role of Dentists in managing such patients. He also emphasized on Counselling, Evidence-based, Cognitive Behavioral Treatment for nicotine dependence.

Outcome of the Activity: It was a successful event. Overwhelming number of students participated in the workshop. All the students agreed that it was an insightful session and such training workshops should be conducted often.
