COLLEGE**

2024

Alumni Guest Lecture on “Role of Dentistry in Insurance Industry”

Date: 22.04.2024

Place of Event –Webinar, You Tube

Total No. of Participants- 95

Objective of the Activity: To increase awareness among faculty and students regarding scope of non-clinical career opportunities for the dentists.

Description: Continuing with the online Subharti Alumni Lecture Series Department of Oral Medicine & Radiology, SVSU conducted an Alumni Guest lecture on the topic of “Role of Dentistry in Insurance Industry” under the able guidance of our dynamic Principal Dr. Nikhil Srivastava Sir. The Guest speaker was Dr. Swati Gupta (Claim Auditor at All State India Pvt. Limited). She spoke about non-clinical career opportunities a dentist can pursue. She also talked about role of dentist in insurance industry, its benefits and companies providing jobs to dentists. It was an insightful session in which everyone participated whole-heartedly.

Outcome of the Activity: The faculty and the students both got benefitted and appreciated it.

Processing of Preauthorization/Reimbursement Claims

Dentists are responsible for:

```
graph LR; A[Evaluating the patient's condition] --> B[Determining the medical necessity]; B --> C[Submitting the necessary documentation to the insurance company for approval.]; C --> D[Their medical expertise allows them to make informed decisions and prevent fraudulent or unjustified claims from being paid out.];
```

Their medical expertise allows them to make informed decisions and prevent fraudulent or unjustified claims from being paid out

Description

Role of Dentistry in Insurance Industry
