COLLEGE**

2024

Screening Camp at Prem Niwas “(old age home and disability centre), Meerut

Date: 28.03.2024

Place of Event –Prem Niwas (Old age home and disability centre)

Total No. of Beneficiaries - 23

Objective of the Activity: To screen and enlighten elderly people and physically challenge patients regarding the benefits of good oral hygiene.

Description: Department of Oral Medicine and Radiology in association with department of Oral Pathology and Department of Public Health Dentistry conducted a Dental Screening Camp on the occasion of “World Oral Health Week” at Prem Niwas (Old Age Home and Disability Centre) Meerut, under the able guidance of our dynamic Principal Dr. Nikhil Srivastava Sir. The camp was preceded by lecture emphasizing on "Tooth Brushing Techniques and Benefits of Good Oral Hygiene" which was followed by screening of the patients and donations (useful daily wears and food items). It was an heart-warming event. The team of Prem Niwas acknowledged the efforts put in by Dental Team.

Outcome of the Activity: The members of Prem Niwas (Old Age Home and Disability Centre) showed full enthusiasm and participated whole heartedly. The Missionary Sisters of the centre were overwhelmed and thanked the dental team for this noble cause and conducting such a heartening social event.
