

Report of Guest Lecture on 15th March 2023

A guest lecture on “Extirpate to Extricate – The new pulpal reality” was conducted for post-graduate students and faculties of Subharti Dental College & Hospital on 15th March 2023. Guest speaker Dr. Ruchika Roongta (Professor MAMC, New Delhi), enlightened the audience with his clinical cases and her lecture on vital pulp therapy. The lecture was conducted at LT-4, at 9:00 am. The event was organized by the Department of Conservative Dentistry & Endodontics, SDC. A total of 102 (40 faculty members and 62 post-graduate students) attended the lecture and learned the clinical aspects of vital pulp therapy into clinical practice. Queries of the students were addressed after the session. The guest speaker was felicitated with a sapling and a certificate for her gracious presence.
