

**Guest Lecture for post graduates by Dr. Ajay Logani
(13 March 2019)**

Department of Conservative Dentistry and Endodontics organised a guest lecture on 13.03.2019 on the topic “**Cracked Tooth- An Enigma That Can Crack You**”. The lecture was delivered by guest speaker **Dr. Ajay Logani**, Professor and Head, Department of Conservative Dentistry and Endodontics, Centre of Dental Education and Research, AIIMS, New Delhi. Dr. Logani presented his cases & shared his research work on the prevalence, incidence and diagnosis of cracked tooth. He also shared his views and the ongoing research on the management of cracked tooth. He stressed that cracked tooth is a multidisciplinary enigma affecting almost all the specialties of dentistry. The seminar was attended by faculty and post graduates from all the departments of Subharti Dental College.

HOD, Department of Conservative Dentistry and Endodontics Dr. Vineeta Nikhil greeted the guest speaker with a bouquet of flowers. Principal Dr. Nikhil Srivastava acknowledged the guest speaker with a certificate of appreciation.
