## Courses Conducted From 2019-2022

### REPORT

#### Professional Development Programme

**Topic: “Get Ready for NAAC Peer Team Visit”**

**Date:** 28/02/2022

**Name of Speakers:**

Dr KS Poonacha, Professor, Pediatric & Preventive Dentistry, Sumandeep Vidyapeeth University, Vadodara Gujarat.

Dr. Neeraj Deshpande, Professor, Periodontology, KM Shah Dental College & Hospital, Sumandeep Vidyapeeth, Vadodara, Gujarat.

Dr Anshula Deshpande, Professor, Pediatric & Preventive Dentistry, KM Shah Dental College & Hospital, Sumandeep Vidyapeeth, Vadodara, Gujarat.

**Objective of the Webinar:**

To remember important points during NAAC PEER TEAM visit at the University Level Programs.

To remember important points during NAAC PEER TEAM visit at the Institution Level Programs.

**Activity:** The eminent speakers enlightened the audience on how to gear up the preparations for the NAAC peer team visit. They elaborated upon the preparations required at the University and Institution Levels. Some important points like Interaction with Faculty, students, parents and alumni were discussed in the Webinar. They further stressed upon that the whole University should be ready with all documents related to NAAC Criteria. All Notice Boards should be updated. Cleanliness must be maintained meticulously. The IQAC Department should have all the documentation of the University in proper order. At the Institutional Level, all Colleges and Departments should also maintain and update all the required documentation. The Speakers specifically told that the peer team will also interact with Faculty regarding University policies and welfare schemes. The Peer team will collect feedback from parents, students and alumni as well. Also, annual reports and yearly Academic and Administrative Audits should be properly maintained.

**Name of the Event:** Workshop on “Outcome based attainment for Programmes”

**Date:** 03/09/2021

**Objective of the Workshop:**

**QEWG (Quality Enhancement Working Committee) of Subharti Dental college & Hospital organized a Workshop on “Outcome based attainment for Programmes” in collaboration with IQAC, Swami Vivekanand Subharti University.** The main objective of the Workshop was to understand the CO-PO (Course Outcomes and Programme Outcomes) Mapping, Course and Programme attainment based on outcomes and gap assessment calculations for programme outcomes and their attainment.

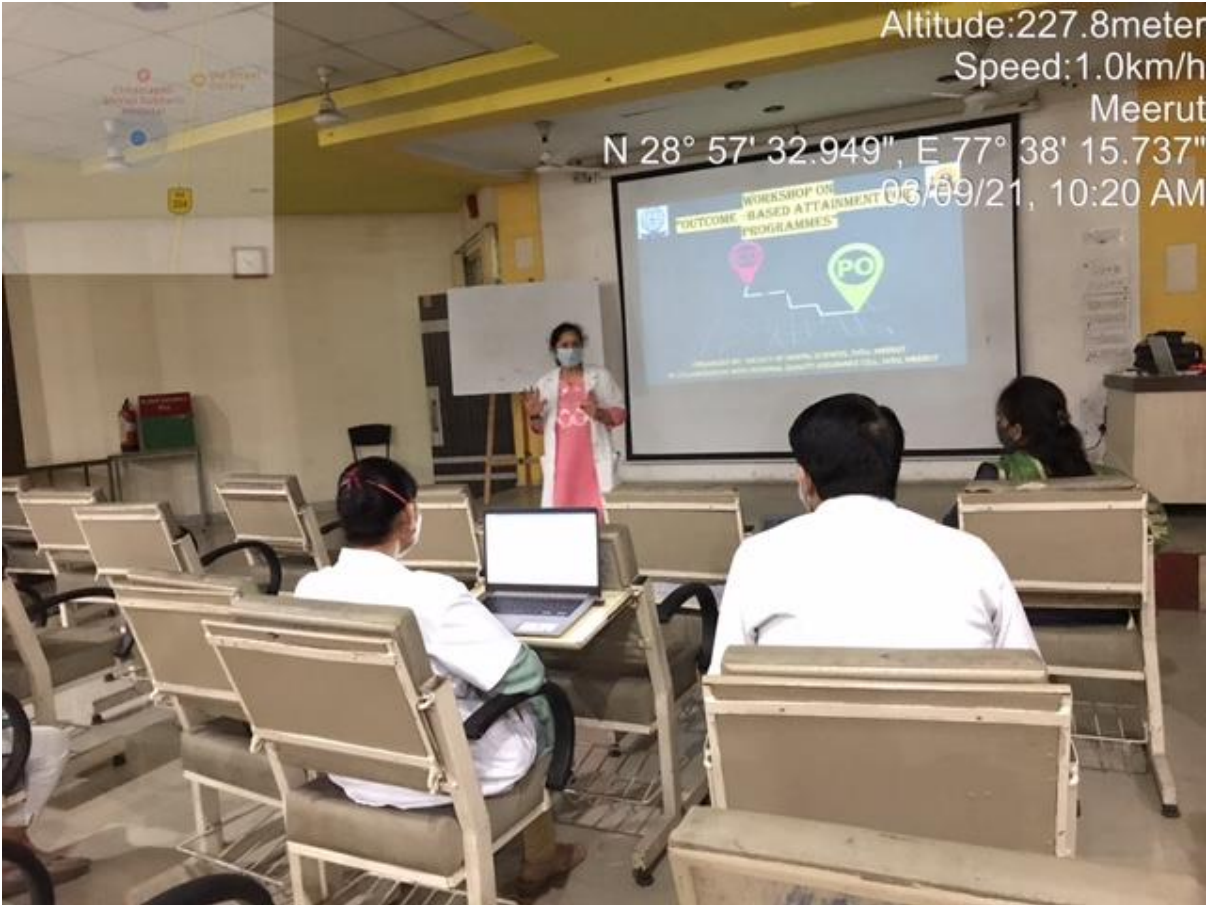

**Activities:** Guest Speaker, Dr Neetu Panwar, Director, IQAC, Swami Vivekanand Subharti University elaborated on this topic. Chief NAAC Coordinator, Subharti Dental College & Hospital, Dr Vineeta Nikhil along with all Departmental NAAC Coordinators and some Faculty members actively participated in this Hands-on workshop.

The Guest Speaker explained that Programme and course Outcomes for BDS and MDS have been formulated for all specialties following DCI regulations, which helps in enhancing the Curriculum requirements. Thus, an important step to obtain programme based outcomes is the CO-PO mapping. All participants worked on Excel sheet in their laptops and completed the CO-PO mapping of their respective specialties for MDS Programmes. The speaker explained clearly how to make the tabulated data for Post-graduate students results and how to calculate course attainment values for various courses. She further discussed the relevance of Programme attainment values and target values. The guest speaker demonstrated on Excel sheet as well as on White Board how to calculate gap assessment values for Programme outcomes and their attainment. All exit survey forms for example alumni, employer and professional feedback forms were also discussed and demonstrated by the Speakers.

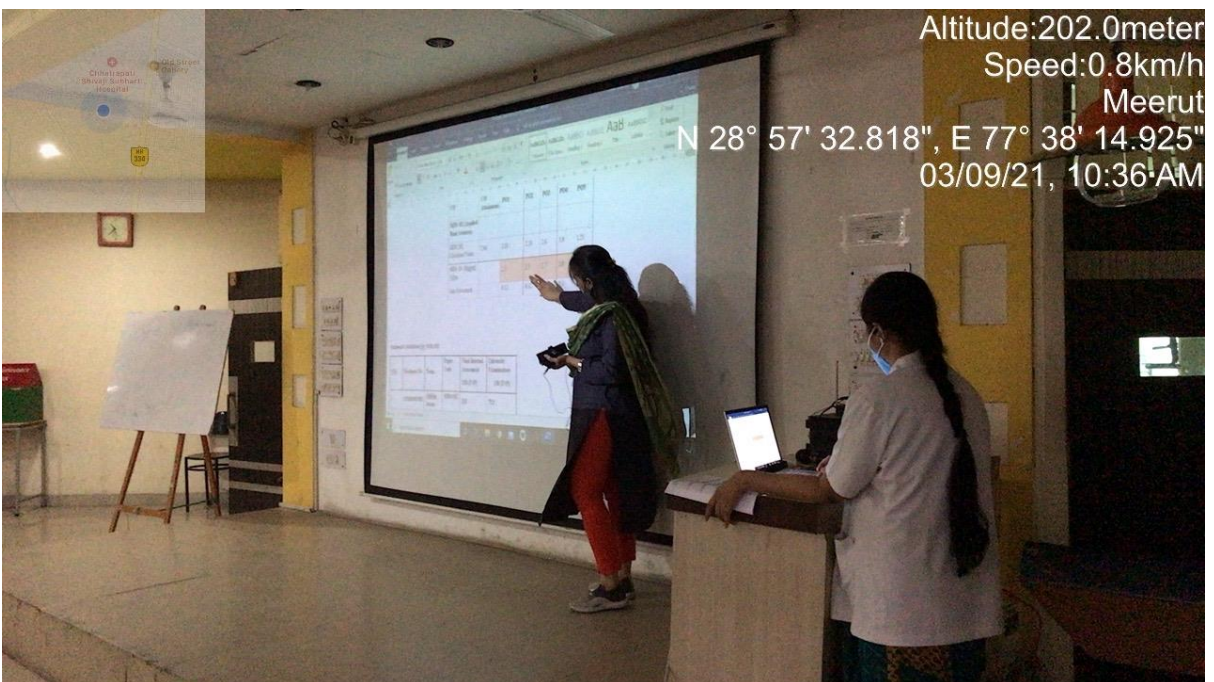

All attendees simultaneously worked on their respective COs and POs of their Departments, on their Laptops. The delegates were enthusiastic and discussed their queries with the Speaker.

**Venue of the event:** LT-4, Subharti Dental College.

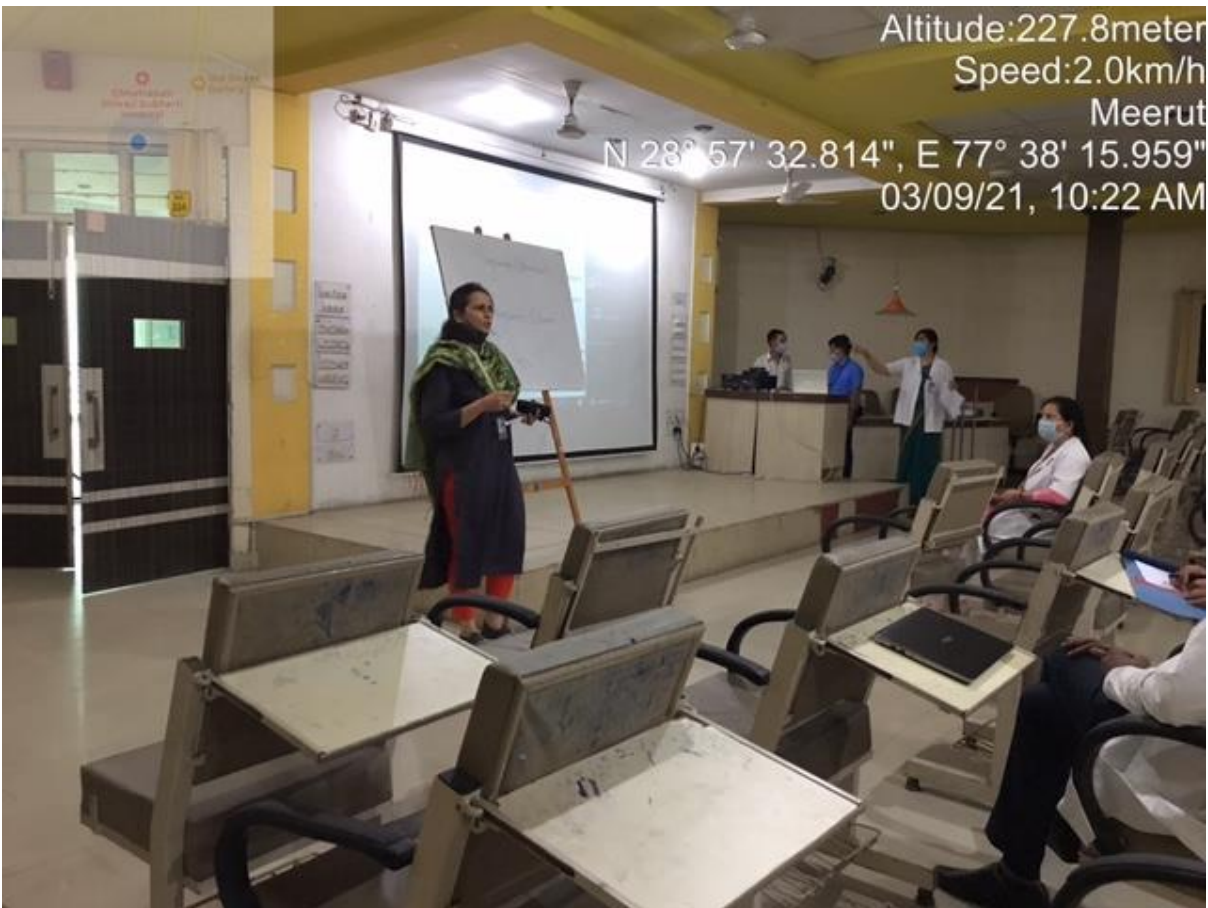

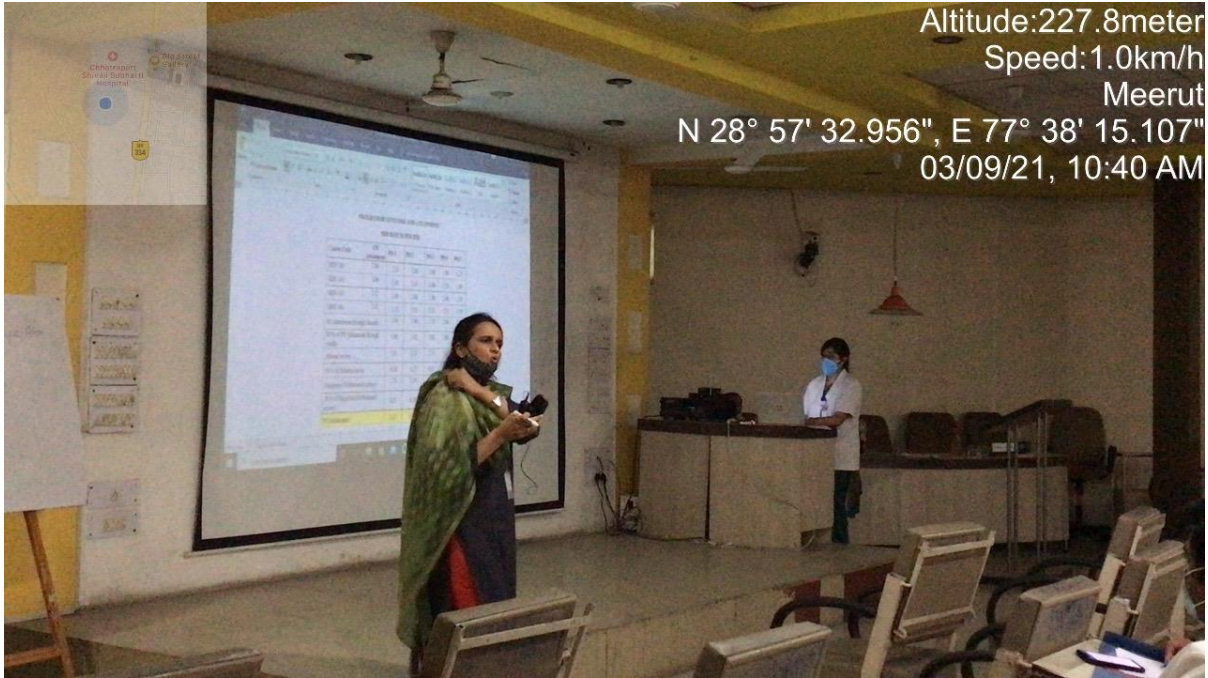

**Total number of Faculty Participants:** 20

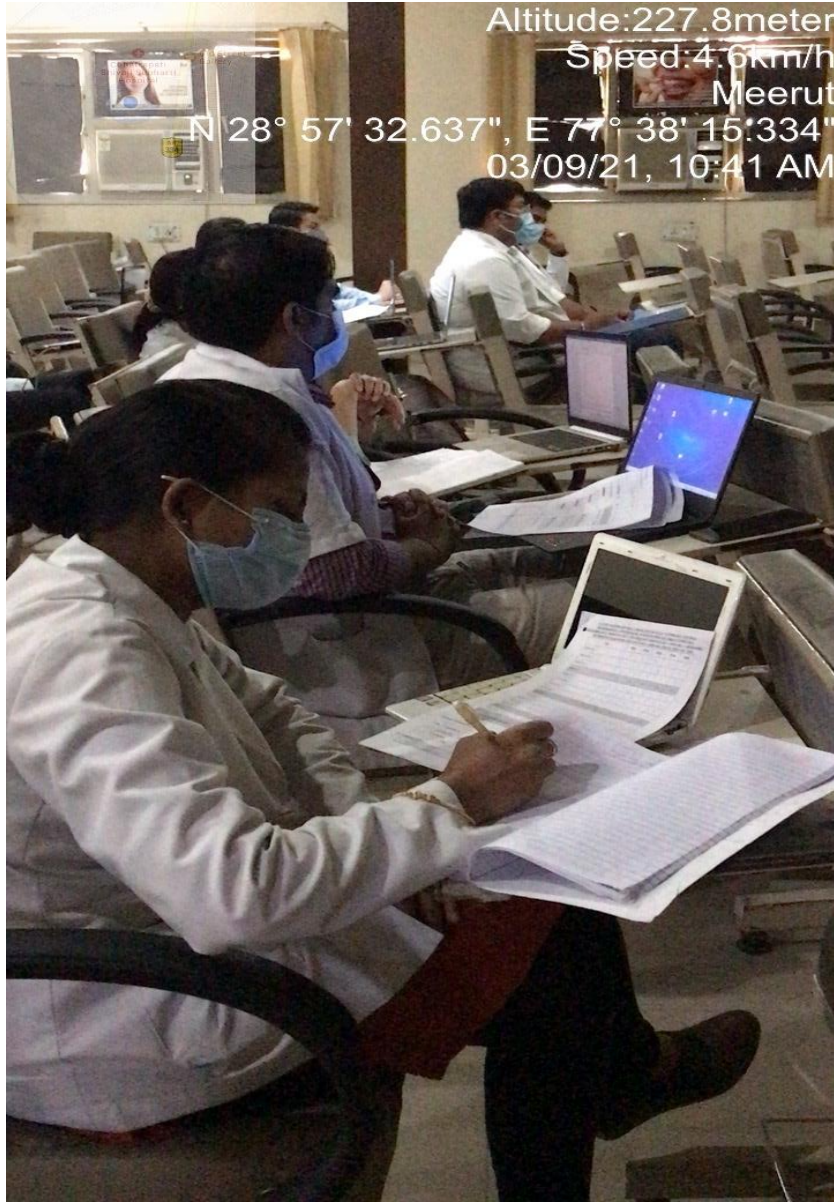

**Chief NAAC Coordinator, SDC, Dr Vineeta Nikhil giving an introduction on the objectives of the Workshop.**

**Guest Speaker, Dr Neetu Panwar, Director, IQAC explaining the CO-PO Mapping**

**Guest Speaker explaining the MDS Programme outcomes and attainment**

**Delegates attending the Workshop**

**Delegates listening attentively during the workshop**

**NAAC Coordinators with the Guest Speaker**

**Name of the event:-** Faculty Development Programme under the aegis of Indian society Pediatric and Preventive Dentistry(ISSPD) on **18th and 19th Oct. 2021.**

**Objective:** The two days faculty development programme was conducted by the Subharti Dental college, on 18th and 19th Oct. 2021 under the aegis of Indian society Pediatric and Preventive Dentistry(ISSPD). The faculty members from S.D.C participated enthusiastically in the FDP and interacted with the resource persons. The outcome of the FDP program will bring about a better teaching environment as well as a better method of assessing a student on the learning capabilities as well as the assessing the outcome of the teaching program

**Activities:** The program was held in two sessions every day of two hours each. The resource persons enlightened the faculty on the newer ways of teaching the students and also the methods of evaluating a student. The interesting topics covered included: Taxonomy of educational objectives: implications in dental educations; who is an effective teacher?;Basic of research methodology and biostatistic; Patent and patenting; Flipped classroom – revitalizing a traditional format..

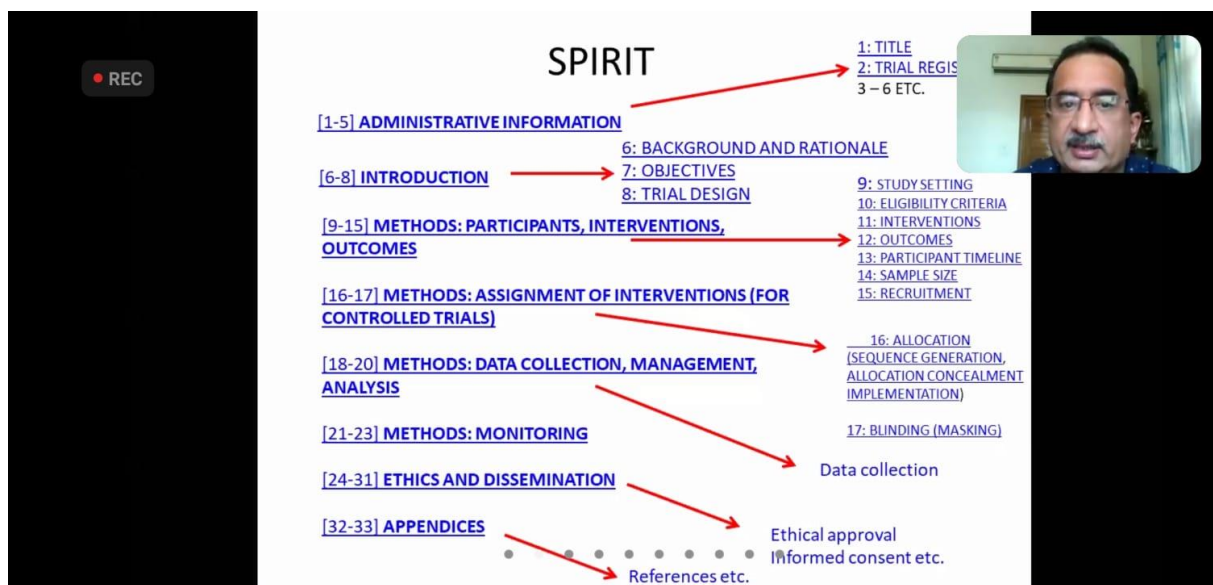

**Place of Events:** Online Mode( Zoom)

### About Swami Vivekanand Subharti University

The University was set up in September 2008 under the Section 3 of the University Grants Commission Act, 1956 and has become a prominent source of access to the field of Education, Healthcare and Social Welfare. The campus area of about 350 acres of land comprising of magnificent buildings, lush green lawns and vibrant surroundings with over 8000 people determined to make this a 'Jewel in the Crown' of the Nation.

The University has several constituent colleges which provide higher education in almost all the disciplines like Medical, Dental, Nursing, Physiotherapy, Paramedical, Pharmacy, Rehabilitation & Yoga Sciences, Engineering, Psychology, Management, Law, Journalism & Mass Communication, Education, Physical Education, Fine Arts & Fashion Design, Library & Information Sciences, Science, Home Science, Hotel Management & Business Studies.

### About Subharti Dental College

Subharti Dental College was started under the umbrella of Subharti Ki & Charitable Trust in the year 1996. "Subharti" is a manifestation of the ideas of Dr. Anil Krishna a noted surgeon of western Uttar Pradesh & Dr. Musli Shrivastava a reputed physician & medical imaging specialist.

Welcome to Subharti Dental College, Meerut, a centre of education, research & highest level of clinical care. Here we cultivate in our students the values of holistic education (area focused & holistic) & holistic (holism values) Affiliated to Swami Vivekanand Subharti University, this college offers a variety of courses: Bachelor of Dental Surgery (BDS), Master of Dental Surgery (MDS), Diploma in Dental Mechanics (DDM) & PhD in Dental Sciences. All courses are recognized by Government of India, Dental Council of India & University Grants Commission. Celebrating 21 years of excellence, Subharti Dental College stands tall on the 3 strong pillars: experienced, full time & long serving faculty, heavy patient OPD & best of infrastructure with modern equipments, air conditioned Post Graduate Clinics & Library with attached medical college within the campus for basic medical subjects & ward teaching.

### About the Course

**"Asatoma sadgamaya Tamasoma jyotirgamaya Mtyorma amrutam gamaya."**

The focus would be in the field of higher education in thinking, graduate or critical thinkers with the traditional 'non learners'. It becomes the sole responsibility of the assessment and instructors offering higher education to produce graduates who think critically, compare in clinical reasoning and decision making in the field of health care center being to safe and ethical practice care.

The workshop aims to provide an insight on the basic principles of education and educational domains. The teachers are given attention and hands on training in adult education teaching methods appropriate to the regional economic environment emphasizing on active learning and student engagement strategies. Assessment forms another important area of course. The quality of teaching which has to be well understood by the teachers. Opportunity to identify the deficiencies in the existing assessment system and the best methods to make assessment valid and reliable will be given. The best formative assessment methods which adapted to best instructional which for under graduate and/or graduate programs will be discussed.

We are here to provide challenging and rewarding experience with committed participation from the enthusiastic delegates.
