## **REPORT FOR CHILDREN'S DAY CELEBRATION 2022**

The Subharti Dental College hosted a number of events during Children's Day Celebration for a month from 14<sup>th</sup> November to 14<sup>th</sup> December, 2022, in an effort to raise awareness of oral health among Meerut's schoolchildren and to celebrate their childhood.

A team of dentists from the renowned institution visited over 20 schools all over Meerut.

More than 300 students received oral health lectures, which were followed by oral screening and preventive programmes, and received information on how to maintain dental hygiene.

Children's were motivated to take part in dance competition, painting competition, fancy dress competition. Gift were distributed to children with special health care needs. Winter cloths distribution was done for underprivileged children.

An inter-school quiz competition was also organized by Subharti Dental College in which children from various schools of Meerut were invited and presented with tokens of appreciation. At last we got overwhelming feedback from parents and their children
