

Value Added Course on “Investigations- When, How, Why and What?” held on 10th & 11th June 2022

A two day value added course of 16 hours duration was organized on “Investigations- When, How, Why and What?” on 10th & 11th June 2022 by Department of Oral and Maxillofacial Pathology & Oral Microbiology in collaboration with Department of Oral Medicine & Radiology. A total of 135 participants attended the programme which included Interns, BDS final year students & faculty of both the departments. The resource person for the course was Dr. Priya Kumar, Professor, Maulana Azad Institute of Dental Sciences, New Delhi and Dr. Ankit Goel (Oral Physician and Maxillofacial Radiologist), Director, Dr. Goel’s Dental and Maxillofacial Diagnostics, Hapur. They talked to the participants about most commonly used investigations (radiological and haematological) and guided them to implement these investigations in various oral lesions which are encountered in dental practice. Students also learned about the indications and how to read and interpret the results of various investigations. The workshop ended on 11th June with the valedictory function.
