

2017-2018

Continuing Dental Education Programme on "Intercept to Align", SDC, SVSU, Meerut

Held on 02.12.2017

Organized by Department of Pediatric & Preventive Dentistry

Venue : Medical Council Hall, Subharti Medical College

Participants : MDS & BDS students

Department of Pediatric & Preventive Dentistry, Subharti Dental College & Hospital, organized a CDE programme (Lecture cum hands on course) on 2nd December, 2017 on the topic "Intercept to Align, key to perfect smile and occlusion". The guest speakers, Prof. Navneet Grewal, Dr. T.P. Chaturvedi and Dr. Binu T. Abraham delivered lectures and conducted hands-on workshop on Twin block appliance and mini implants. More than 200 delegates actively participated and the CDE programme was a huge success.
